REPORTS/REMARKS

1. Judy Davie announced a General Faculty Meeting hosted by Faculty Senate, Graduate Council and Faculty Association April 13th, 3-5 pm Law School Auditorium, Room 120. The first Chancellor Open Forum was today, April 11 at Guyon Auditorium; there was a very turnout; feedback for all Chancellor Forums will be solicited via email.

2a. Interim Chancellor Colwell

2b. Provost Ford spoke about President Dunn’s request to borrow money from Edwardsville at the Board of Trustees meeting which was not voted on and will be discussed at a special meeting that will be announced in the future. Ford added that the President asked for that financial assistance in case SIUC’s financial situation becomes more precarious. The concern is if there is no stopgap or any other funding we may be in the situation to borrow from Edwardsville. The lack of ability to borrow from Edwardsville does not lead us to a fiscal crisis at this time. Any money borrowed will have to be paid back. SIUC has borrowed from our own reserves and from the School of Medicine. This debt is being spread out over 10 years. Ford stated that all open positions will be swept; saving the university approximately $15 million; any position already approved to move forward will continue to move forward. Ford stated she is still on target to provide the Chancellor with a preliminary program prioritization report and added that she still has to figure how to evaluate and score the qualitative information that is coming back from the department chairs questionnaires. Provost Ford stated that she would like to ask the Faculty Senate and Graduate Council for volunteers to evaluate the answers to the questionnaires from the department chairs.

J. Davie stated that this is a colossal task and think it is a good idea to seek the help of faculty.

3. HLC Accreditation Committee

J. Davie reported for Ruth Ann Rehfeldt and stated that the committee is moving along well; sub committees have been formed; many of the subcommittee members went to the Annual HLC Accreditation meeting which was held in Chicago last week; the goal is for each of the subcommittees to have a draft of what they propose the answers to their questions will be and the data they plan to use; that information will go to the steering committee that will meet during the summer; this committee will be active until 2019.

4. Faculty Advisory Council to the IBHE

J. Davie reported for Matt McCarroll who has been attending the IBHE FAC meetings. Davie shared the public update that was given at the Board of Trustees meeting. Jim Allen, newly
appointed Vice President of the System, spoke publicly about his concern regarding how the IBHE has been functioning in the absence of the director Jim Applegate, and has still not appointed a director. This is controversial because the person being considered is the director of the Community College Board. There have been discussions on a state-wide level that the two boards may combine.
