Dear Colleague:

On behalf of all faculty members of this great University, it is my pleasure to welcome you to Southern Illinois University Carbondale (SIUC). Faculty Senate, which represents almost 1300 faculty members at SIUC, is one of the most important University constituency groups. As the President of the Faculty Senate, I would like to bring to your attention many of the roles carried out by the Faculty Senate.

Faculty Senate is the body empowered to act as agent for the University faculty, with delegated power to formulate broad policies in regard to the educational functions of the University. The Senate is charged to initiate, promote, and ensure the enforcement of policies involving academic and intellectual freedom, and to concern itself in all matters of faculty status and welfare. The Senate is also charged with the responsibility for encouraging and facilitating active and effective faculty involvement in policy determination and decision-making, particularly in all academic units at all levels within the University.

The Senate consists of members elected by your tenured, tenure track, and non-tenure track faculty colleagues in the various colleges at SIUC. The number of tenured and tenure track faculty senators from each college is determined by the number of faculty members in that college. The Senate typically meets once a month during the academic year and one time in the summer. More information about the Faculty Senate can be found at http://facultysenate.siu.edu.

I encourage you to talk with your College Faculty Senator(s) on any matter under the purview of the Senate (membership list on back). You can also join the Faculty Listserv (see the Senate website for instructions). Moreover, when appropriate, I encourage you to consider volunteering to serve on University committees as a representative of the Faculty Senate. Just send an email to Michelle Kibby (mkibby@siu.edu), 2018-2019 Chair of the Faculty Senate Committee on Committees. If you have questions or suggestions, please do not hesitate to contact me.

Sincerely,
Jonathan Bean
Faculty Senate President
