

FACULTY SENATE
Resolution to Encourage a Meeting between the Interim Provost
and Faculty in the College of Science

WHEREAS in April of 2009, the faculty in three departments in the College of Science by overwhelming majority votes passed a Resolution of No Confidence in the ability of their dean to lead the College of Science and requested that Interim Provost Rice meet with faculty in these departments to discuss this issue;

THEREFORE BE IT RESOLVED that the Faculty Senate supports and encourages a meeting between Interim Provost Rice and faculty in the College of Science, to discuss matters relating to the vote of No Confidence against the Dean, and instructs the Faculty Senate President to communicate that position to the administration.
