

Proposals by Parking and Traffic (tabled until next year)

- **Increase sticker rates**

10,000 – 24,999	\$61	\$3 increase
25,000 – 39,999	\$92	\$4 increase
40,000 – 69,999	\$115	\$5 increase
\$70,000 – up	\$135	\$25 increase

- Eliminate free guest parking pass. Each guest/conference parking pass will cost \$3 regardless of the event.

0-500 purchased	\$3
500-1000 purchased	\$2
1000+ purchased	\$1

This generates additional income of approximately \$15,000 annually for the SIUC Parking Division.

- Gold decals would be phased out and implement a gold hangtag system-only one issued per person regardless of vehicles. Reduce abuse of gold sticker.
- Require that you have 20 years in the SIUC system at time of retirement to qualify for a Gold hangtag (formerly sticker)
- Extra monies would be used to support Saluki Way traffic/parking re-route and help re-pave Lincoln drive
