

**FACULTY SENATE
UNDERGRADUATE EDUCATION POLICY COMMITTEE**

***Resolution to Recommend Approval of the RME for the
Addition of Specializations in Computational Physics, Biomedical
Physics, and Materials/Nano Physics the
Bachelor of Science Degree in Physics, College of Science***

WHEREAS the proposed specializations for the Physics major will provide more specific and marketable skills for graduates; and

WHEREAS the proposed specializations will provide flexibility to the Physics program and allow it to remain competitive with many of our peers and aspirational peers, who already offer more specialized programs; and

WHEREAS the varied specializations of the program are important and will allow more specialized training, should increase enrollment, and are expected to aid in retention;

THEREFORE BE IT RESOLVED that the Faculty Senate recommend the RME for the Addition of Specializations in Computational Physics, Biomedical Physics, and Materials/Nano Physics the Bachelor of Science Degree in Physics.
