

UNDERGRADUATE EDUCATION POLICY COMMITTEE

Resolution to Recommend Approval of the RME for the Addition of an Instructional Systems Design Specialist Certificate in Workforce Education and Development, College of Education and Human Services

WHEREAS the proposed certificate program has been designed at the specific request of the U.S. Air Force; and

WHEREAS this online certificate program will award academic credit but is designed for individuals seeking these specific skills rather than seeking a degree; and

WHEREAS this online certificate program will provide individuals with training in the Instructional Systems Design (ISD) model which will enhance general instruction and training techniques; and

WHEREAS the proposed minor would require no increase in budget;

THEREFORE BE IT RESOLVED that the Faculty Senate recommend the RME to Establish the Addition of an Instructional Systems Design Specialist Certificate program to the Education, Training and Development specialization of the Workforce Education and Development Major.
