

UNDERGRADUATE EDUCATION POLICY COMMITTEE

*Resolution to Recommend Approval of the Elimination of the
Athletic Training Major in the Department of Kinesiology, College of
Education and Human Services*

WHEREAS there has been declining enrollment in the Athletic Training Education Program and therefore no new students have been admitted for two of the past three years; and

WHEREAS the budget situation at SIUC currently does not allow the program to be maintained in a feasible way; and

WHEREAS the Department of Kinesiology notes that the program has been an excellent one and has trained high quality students but can no longer continue to do this;

THEREFORE BE IT RESOLVED that the Faculty Senate recommend that the Athletic Training Education Program in the Department of Kinesiology be discontinued following the graduation of the students who are currently enrolled.
