

UNDERGRADUATE EDUCATION POLICY COMMITTEE

***Resolution to Approve Internal and External Program Reviewers
(see attached spreadsheet; modifications in bold)***

WHEREAS the Illinois Board of Higher Education requires a review of each and every degree program offered by a public university at least once every eight years; and

WHEREAS the SIUC Provost's office has established procedures for faculty nomination of internal and external reviewers to ensure the confidence of a department in the review; and

WHEREAS the present nominations have been discussed by the departments with the relevant deans and the Provost's office; and

WHEREAS the earlier list that was approved in June, 2010, has been modified in order to account for replacement of initially approved faculty whose schedules limited their availability to undertake the requested reviews;

THEREFORE BE IT RESOLVED that the Faculty Senate approve the internal and external reviewers suggested for all programs up for review in 2010-11.
