

UNDERGRADUATE EDUCATION POLICY COMMITTEE

Resolution to Recommend Approval of the RME for the Modification of the Plant and Soil Science Major to the Horticulture Major for the Bachelor of Science Degree in Plant, Soil, and Agricultural Systems, College of Agricultural Sciences

WHEREAS the proposed Horticulture major will partially replace the old Plant and Soil Science major; and

WHEREAS the existing major of Plant and Soil Science included this newly proposed major as well as several other specialties, and the breaking out of this specialty will make the proposed major more visible; and

WHEREAS the proposed major will better serve students who are interested specifically in landscape design, production, and turf management, which should enhance recruitment of new students into the major; and

WHEREAS there are no required budgetary adjustments;

THEREFORE BE IT RESOLVED that the Faculty Senate recommend the RME for the Modification of the Plant and Soil Science Major to the Horticulture Major for the Bachelor of Science Degree in Plant, Soil, and Agricultural Systems.
