

UNDERGRADUATE EDUCATION POLICY COMMITTEE

***Resolution to Recommend Approval of the RME for the Addition of an Instructional Systems Design Specialist Certificate in Workforce Education and Development, College of Education and Human Services
[as amended]***

WHEREAS the proposed certificate program has been designed at the specific request of the U.S. Air Force; and

WHEREAS this online certificate program will award academic credit but is designed for individuals seeking these specific skills rather than seeking a degree; and

WHEREAS this online certificate program will provide individuals with training in the Instructional Systems Design (ISD) model which will enhance general instruction and training techniques; and

WHEREAS the proposed certificate would require no increase in budget;

THEREFORE BE IT RESOLVED that the Faculty Senate recommend the RME to Establish the Addition of an Instructional Systems Design Specialist Certificate program to the Education, Training & Development specialization of the Workforce Education and Development Major.
