

**UNDERGRADUATE EDUCATION POLICY COMMITTEE**

***Resolution to Recommend Approval of the RME for the Addition of a  
Specialization in Professional Construction Management to the Bachelor  
of Science Degree in Technical Resource Management,  
College of Applied Sciences and Arts  
[as amended]***

**WHEREAS** the proposed specialization for the Technical Resource Management major will provide enhanced training in management decision making for graduates; and

**WHEREAS** the proposed specialization will augment both the core training in this department as well as earlier technical training obtained by students; and

**WHEREAS** the training obtained through this specialization will support the education component of the Certified Construction Manager certification; and

**WHEREAS** the proposed specialization will require no increase in budget;

**THEREFORE BE IT RESOLVED** that the Faculty Senate recommend the RME for the Addition of a Specialization in Professional Construction Management to the Bachelor of Science Degree in Technical Resource Management
