

UNDERGRADUATE EDUCATION POLICY COMMITTEE

*Resolution to Recommend Approval of the RME for the Addition of Specializations in Animal Biology, Environmental Biology, Fisheries Biology, Pre-Veterinary Science, and Wildlife Biology to the Bachelor of Science Degree in Zoology, College of Science*

**WHEREAS** the proposed specializations for the Zoology major will provide more focused training and flexible orientations for graduates; and

**WHEREAS** the proposed specializations will better prepare graduates for graduate study within a specific zoological discipline; and

**WHEREAS** more focused training in this field has become essential over the past couple of decades for both graduate work and entry-level employment; and

**WHEREAS** no new resources are requested in order to initiate these specializations;

**THEREFORE BE IT RESOLVED** that the Faculty Senate recommend the RME for the Addition of Specializations in Animal Biology, Environmental Biology, Fisheries Biology, Pre-Veterinary Science, and Wildlife Biology to the Bachelor of Science Degree in Zoology.
