In addition, the UEPC considered an RME for a specialization in Digital Media Arts under the Radio/TV major. After our meeting with representatives from the department, the RME was withdrawn and may be resubmitted next year. Also, an RME was discussed that provides a revision to the senior institution hour criteria for current graduation requirements. The UEPC decided that further discussion on this topic is necessary, and we therefore have postponed that for the new UEPC.

As chair of the UEPC, I would like to thank this wonderful committee for a year of dedication, thoughtfulness, very hard work, and outstanding support.
