

**UNDERGRADUATE EDUCATION POLICY COMMITTEE**

***Resolution to Approve 2010 Internal and External  
Program Reviewers  
(see attached spreadsheet)***

**WHEREAS** the Illinois Board of Higher Education requires a review of each and every degree program offered by a public university at least once every eight years; and

**WHEREAS** the SIUC Provost's office has established procedures for faculty nomination of internal and external reviewers to ensure the confidence of a department in the review; and

**WHEREAS** the present nominations have been discussed by the departments with the relevant deans and the Provost's office; and

**WHEREAS** the reviewers in the Department of Physics have not yet been selected; and

**WHEREAS** it is in the best interests of all involved to approve the nominations that have been approved thus far, noting the need for a speedy resolution of the problems occurring with the nominations from the Department of Physics;

**THEREFORE BE IT RESOLVED**, that the Faculty Senate approve the attached list of internal and external reviewers for all programs, except Physics, at this time.
